MEMORANDUM FOR THE FILE

Morning Meeting of 22 November 1966

DDCI was in the chair.

DD/I reminded that [redacted] will be in the USIB Conference Room at 1530 for discussion. DDCI suggested querying [redacted] on recent reports concerning [redacted]

25X6

25X1

25X1

Godfrey called attention to a story in the Washington Post quoting General Westmoreland on infiltration from North to South Vietnam. In this connection, Carver noted that MACV is engaged in another major OB review.

25X1

Kent tabled draft conclusions of NIE 11-3 and explained the status of the paper.

DD/S noted that the Agency supergrade ceiling will be under discussion with BOB this afternoon. He commented on the surface of the parking lots and on corrective actions to be taken.

Carver noted that the memorandum for Komer on rates of Viet Cong recruitment will be ready tomorrow. He called attention to a cable from [redacted] which contained useful data for a paper he is preparing at the request of [redacted]. DDCI asked to receive an information copy of the paper.
